2025 Summer Day Camp For Kids

Ages 6-12 years old

Our Vision

Davenport-Perth Neighbourhood and Community Health Centre (DPNCHC) is a multi-service agency located in Toronto's West End. For three decades, we have played an important role in the lives of the residents of our community, assisting them to stay healthy, develop leadership skills, make positive lifestyle choices, build relationships, and work together to improve their living conditions and prospects for the future.

DPNCHC's Summer Day Camp aims to provide a positive and fun summer experience that builds confidence and new friendships. The camp activities will engage your child(ren); giving them a summer filled with fun, education and adventure!

My children have been coming to this camp for years because they love the staff and the camp activities.

Julia, Parent
